She was tired, it was dawn

D E A Gadd6
When she heard the nurse say "Here's a baby boy"

Without fear, zero years

Come to seek damnation and a veil of tears

And my claim to fame

D A C#m Dmaj7
Is that then I was

D A C#m Dmaj7 G D
That baby boy

CHORUS 1

A C Bm E
Birthday girl, rosy and special

D E A G
When I wed, I would dream

D E A Gadd6
In a champagne haze of my first affair

D A C#m Dmaj7
Like a private joke

D A C#m Dmaj7
On the one I loved

D A C#m Dmaj7 G D
Between my self and me

A C Bm E
Birthday girl, rosy and special

Feed the birds poisoned bread

D E A Gadd6
In the square beneath my place of birth

D E A G
People die, so will I

D E A Gadd6
Cut and dried and empty - quite alone

D A C#m Dmaj7
When they bury me

D A C#m Dmaj7
When the people know

D A C#m Dmaj7 G D
Of the baby boy

CHORUS 3

Birthday girl, now I am begging

But I still think of that baby

Birthday girl, smiling in silence

Will this night please come to an end?
