## OUTRO/FADE

**F7**  
I'm a doomed man  
**F7**  
I know that life is over  
**F7**  
Her face hangs from the altar  
**F7**  
She cries "I don't know what I have inside me  
**F7**  
I only know that it is dead  
**F7**  
Forgive me, master  
**F7**  
Forgive me, God"  
**F7**  
"I will not forgive"  
**F7**  
One tear wells in her eye  
**F7**  
Two tears run down her face  
**F7**  
In a sick river of tears  
**F7**  
And God cuts her into little pieces  
**F7**  
And her blood runs over the room  
**D7**  
Out of the window  
**D7**  
Down the awning  
**D7**  
Onto the pavement  
**D7**  
To the cheers  
**Fmaj7**  
Of the crowd
